AgPhD

The Information **YOU NEED**
to make the **BEST** possible
farm investment decisions.

Resources

[Home / Resources](#)

Ag PhD is Information for Agriculture. This resource page is a directory to documents pertaining to topics featured on the show, as well as additional information from Brian and Darren.

We will continue to post information, so please check back regularly for updates.

- Ag PhD Mobile Apps
 - Ag PhD Crop Nutrient Deficiencies
 - Ag PhD Drainage Tile Calculator
 - Ag PhD Field Guide
 - Ag PhD GDU Calculator
 - Ag PhD Harvest Loss Calculator
 - Ag PhD Modes of Action
 - Ag PhD Nutrient Removal by Crop App
 - Ag PhD Planting Population Calculator
- Agricultural Chemical Component Chart
- Agronomy Workshops – Additional Materials
- Canadian Product Names for Select U.S. Products
- Cover Crops and Their Uses
- Feekes Scale of Wheat Development with Product Application Timing
- Fungicide Modes of Action in Barley
- Fungicide Modes of Action in Canola
- Fungicide Modes of Action in Corn
- Fungicide Modes of Action in Cotton
